Dear Parents:

Welcome! We are so pleased to welcome you and your child to our tutoring centre. Little House began with a passion for helping children succeed in school. Over the past eleven years, we have offered a variety of educational programs and supplemental learning materials. Our programs provide support as well as enrichment for students from pre-school to university. We pride ourselves on placing students with a specifically selected tutor who can meet their individual needs and teach them based on their learning style. All of our tutors are certified teachers, Orton Gillingham tutors, or tutors who have been trained to deliver the Little House Multisensory Program. Our goal is to provide the tools that your child needs to feel successful and confident in his or her learning.

In order for us to provide the optimum learning environment for your child, we ask that you please follow these few important guidelines:

- 1) **Quiet** is the best environment for students. Therefore, if you could:
 - a) please use cell phones prior to entering the building.
 - b) chat with other parents outside of the building.
 - c) call ahead to determine a time when your tutor can speak with you regarding your child's progress - tutors are required to meet with you outside of the tutoring area so as to be respectful of other students' learning time.

- 2) **Freedom from distraction**
 - a) teach your child the joy of being responsible by allowing them to enter and leave the tutoring area on their own - the tutoring area is now a "parent free" zone so as to avoid distracting students.
 - b) when pursuing educational materials and/or purchasing items, please use a quiet voice so that students in the tutoring area can concentrate.

Hours of Operation:

10:30AM - 8:30PM	Monday - Thursday
10:30AM - 6:30PM	Friday
10:00AM - 2:00PM	Saturday
CLOSED	Sunday and all Statutory Holidays

Should you have any questions regarding these guidelines or any of the Little House Tutoring Programs, please feel free to contact us by phone (604) 266-1023 or by email: contact@littlehousetutoring.com

Don't forget! We are also now on  and 

Yours very truly,

Little House Tutoring Team
